## *Invitation*

Welcome to our Second Annual Sale of the North Central Iowa Shorthorn Breeders' Association.

A very fine offering of both Polled and Horned bulls and females will be offered for sale. A 24.7 per cent increase in registrations last year proves that Shorthorns are gaining popularity and there continues to be a demand for the right kind. I am sure you will be able to make a selection of your choice for this offering that will fit into either a purebred or commercial herd.

All breeders and farmers are invited to attend the Show preceding the Sale.

Millard B. McNutt, President  
North Central Iowa Shorthorn Assoc.

\*\*\*\*\*

The breeders of the North Central Iowa Shorthorn Association have made a special effort to consign the cream of their crop to this second annual sale. I have personally inspected many of these cattle and I can assure you there will be herd bulls and females of excellent confirmation with pedigrees good enough for any breeder. The bulls this year have good age and will be ready for heavy service this summer. The females will be foundation stock for your herds and many of these younger females can be used for club heifers.

Where footnotes appear in this catalog, they were furnished by the consignors. The association assumes no responsibility for accidents to any person or his property, but utmost care will be taken to prevent any.

Homer Duea, Secretary & Manager  
North Central Iowa Shorthorn Assoc.
